## BPAY Instructions

Maritime Super is committed to making life as simple as possible - that's why we offer **BPAY** as an option for making contributions. **BPAY** lets you streamline your superannuation administration by paying contributions online or over the phone.

### How to make contributions by BPAY

If you would like to register to make **BPAY** contributions, contact Member Services on 1800 757 607. We will send you all the information you need to start making payments, including the **BPAY** Biller Code and Customer Reference Number (CRN) for member, employer and spouse contributions.

Once you've received this information, making **BPAY** contributions through your bank or credit union is easy:

1. log in to your internet banking site or call your banking service
2. quote the **BPAY** Biller Code and the CRN for the type of contribution you wish to make; and
3. enter the contribution amount.

Please ensure that you return a copy of this form to us so that we can allocate the contributions correctly once we've received your **BPAY** payment.
