Product	Retained Benefits
Trustee	Maritime Super Pty Ltd
Fund	Maritime Super
Australian Business Number (ABN)	77 455 663 441
Unique Superannuation Identifier (USI)	77455663441001

Maritime Super is a complying, resident and regulated superannuation fund within the meaning of the Superannuation Industry (Supervision) Act 1993.

About this document

This target market determination (TMD) is a publicly available document required under section 994B of the Corporations Act 2001.

It sets out the class of consumers for which this product has been designed, having regard to the objectives, financial situation and needs of the target market, the distribution conditions and review triggers.

This document is not a Product Disclosure Statement (PDS), nor is it a summary of the product's terms and conditions. It does not take into account individual objectives, financial situation or needs. Consumers must refer to the Retained Benefits PDS and Supplements when making a decision about investing in this product.

Date this TMD is effective	5 October 2021
Date TMD was last reviewed	5 October 2021
Date when this TMD will next be reviewed	5 October 2022 unless a review trigger occurs before this time

Target market – objectives, financial situation and needs of the target market

This product provides investment in superannuation in the accumulation phase.

This product is designed for consumers who:

- want to invest for their retirement in a concessional tax environment
- want to make an active investment choice in relation to their investment
- want to invest in one or more of the investment options
- want the ability to access financial advice about their superannuation
- want access to sustainable insurance options, including Total and Permanent Disability and Death Cover

Eligibility

You were a member of an industry category and have left the maritime industry or retired.

We haven't received any employer contributions for you for 12 months or more.

You are the spouse of an existing member.

You are the former spouse of an existing member who receives a benefit under a Family Law Act payment split.

You are a resident in Australia or entitled to work in Australia.

Exclusions

This product is not designed for consumers who:

- are working as a seafarer or stevedore, or work in a related occupation

Product description and key attributes

This product is an accumulation superannuation account that provides:

- Choice of investment options
- Ability to nominate the beneficiary of their benefit

-

Next review

The target market determination will next be reviewed: 5 October 2022

Review triggers

Where one of the below review triggers has occurred a review of the TMD will be undertaken:

- A significant number of complaints from consumers who have acquired the product, regarding the product design and distribution
- Occurrence of a significant dealing(s) outside the TMD that would reasonably suggest that this TMD is no longer appropriate
- Material changes to key product features, investment objectives, terms and conditions that would reasonably suggest that this TMD is no longer appropriate
- Changes to legislation which materially impact the design or distribution of the product and reasonably suggests that this TMD is no longer appropriate

Information to be collected for our distributors

- Data to be provided by distributors:
- Complaints – distributors will report the number, nature and outcome of complaints received in relation to the design and features of the product
- Dealings outside the target market – distributors will report if they become aware of significant dealings, where significant dealings includes where a material number of consumers are outside the target market or distribution conditions have not been met
