

Change to drawdown amounts

The Government is temporarily reducing minimum drawdown requirements for pensions by 50% as shown in the table on the right.

This reduction applies for the 2019/20 and 2020/21.

Complete this form if you wish to reduce or cancel your minimum drawdown amount.

Change your pension minimum drawdown - please select ONE option for each financial year

2019/20 financial year

You can **HALVE** your remaining payments.

Alternatively, you can **STOP** payments once you receive the reduced minimum drawdown amount for 2019/20

Select one option below:

- HALVE my remaining payments** for the 2019/20 financial year
- STOP payments** once I receive the minimum drawdown amount for the 2019/20 financial year

2020/21 financial year

You can **HALVE** your payments for the 2020/21 financial year.

Alternatively, you can **CONTINUE** with your usual payments for 2020/21

Select one option below:

- HALVE my payments** for the 2020/21 financial year
- CONTINUE with my usual payment** amount for the 2020/21 financial year (no reduced drawdown amount)

Member's declaration

I request the above changes to my pension.

I understand that these changes must be received and accepted by the Trustee before they will take effect.
